POSTAL ADDRESSING SYSTEM

The road and house numbers are derived from the State Plane Coordinate, Blue Earth County Datum coordinate system.

Road Names

Avenues - north / south
Streets - east / west
Roads - have no predominant direction
Lanes - dead end

The first three digits of each map sidebar is the Street or Avenue number.
Roads are alphabetic from west to east.

House Numbers

All five digits of a sidebar correspond to the house number.
Even house numbers are on the north or west, odd on the south or east of road.
