PLANNING AND ZONING

Ms. Mandy Landkamer, Land Use Specialist and Mr. George Leary, Land Use/Natural Resource Planner, presented the following items to the Board.

Commissioner Purvis moved and Commissioner McLaughlin seconded the motion to approve the following resolution:

RESOLUTION GRANTING A CONDITIONAL USE PERMIT TO TRANSFER DEVELOPMENT RIGHTS WITHIN THE SW 1/4 OF THE NW 1/4 OF SECTION 12, RAPIDAN TOWNSHIP, THE NE 1/4 OF THE SW 1/4 OF SECTION 12, RAPIDAN TOWNSHIP, AND THE SE 1/4 OF THE NW 1/4 OF SECTION 12, RAPIDAN TOWNSHIP TO PROVIDE BUILDING RIGHTS ON EACH OF FOUR RESIDENTIAL LOTS WITHIN HUNTER'S RIDGE SUBDIVISION IN THE CONSERVATION AND SHORELAND ZONED DISTRICTS IN SECTION 12 OF RAPIDAN TOWNSHIP

WHEREAS, Joel Holtmeier, dba Hard Rock Quarries, developer of the following real estate in the County of Blue Earth to wit:

Hunter's Ridge Subdivision in Section 12, Rapidan Township, Blue Earth County, Minnesota.;

is requesting a Conditional Use Permit to transfer development rights from adjacent undeveloped 1/4-1/4 sections to provide for one building right on each of the four lots created by the Hunter's Ridge Subdivision; and,

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 45-07), a copy of said report has been presented to the County Board; and,

WHEREAS, the request to transfer the development rights does not conflict with the Land Use Plan. It is a conditional use in the Conservation Zoned District; and,

WHEREAS, the Planning Commission of the County on the 5th Day of December, 2007, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report No. PC 45-07; and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. The proposed use does not conflict with the County Land Use Plan.
2. The applicant has demonstrated a need for the proposed use.
3. If properly done, the proposed use will not degrade the water quality of the County.
4. The proposed use will not adversely increase the quantity of water runoff.
5. The soils are adequate to accommodate the proposed use.
6. If properly done the proposed use should not create a potential pollution hazard.
7. Adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. Adequate measures have been or will be taken to provide sufficient off-road parking space to serve the proposed use.

9. If properly done the Conditional Use should not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
10. Establishment of the Conditional Use will not impede the normal and orderly development and improvement of surrounding vacant property for the predominate uses in the area.
11. That site specific and such other conditions are established to protect the public's health, safety and general welfare.

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the request to approve the Transfer of Development Rights is hereby **granted**.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

are requesting a Conditional Use Permit to operate a plumbing and heating business as a Level II Home Occupation; and,

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 46-07), a copy of said report has been presented to the County Board; and,

WHEREAS, the request to for approval of a Level II Home Occupation does not conflict with the Land Use Plan. It is a conditional use in the Agriculture Zoned District; and,

WHEREAS, the Planning Commission of the County on the 5th Day of December, 2007, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report No. PC 46-07; and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. The proposed use does not conflict with the County Land Use Plan.
2. The applicant has demonstrated a need for the proposed use.
3. If properly done the proposed use will not degrade the water quality of the County.
4. The proposed use will not adversely increase the quantity of water runoff.
5. The soils are adequate to accommodate the proposed use.
6. If properly done the proposed use should not create a potential pollution hazard.
7. Adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. Adequate measures have been or will be taken to provide sufficient off-road parking space to serve the proposed use.
9. If properly done the Conditional Use should not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
10. Establishment of the Conditional Use will not impede the normal and orderly development and improvement of surrounding vacant property for the predominate uses in the area.
11. That site specific and such other conditions are established to protect the public's health, safety and general welfare.

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the request to approve the level II Home Occupation is hereby **granted** contingent upon the following:

1. That the business shall be conducted entirely within the accessory building and shall be carried on by the inhabitants of the home. Up to six employees are allowed other than the inhabitants of the home.
2. That the business shall be clearly incidental and secondary to the use of the property for residential purposes. Total maximum floor use area shall be 5,000 square feet.
3. That signage be limited to a 32-square foot non-illuminated sign on the property.
4. There shall be no indication of offensive noise, vibration, smoke, dust, odors, heat or glare beyond the property line.
5. That the operation of the home occupation shall begin no earlier than 8:00 a.m. and end no later than 9:00 p.m.
6. Materials and equipment shall be stored in an enclosed building.
7. Any change in operation or use of the home occupation shall require review of the Conditional Use Permit. The applicant shall apply for a review of the Conditional Use Permit prior to any operational or construction changes involved with the proposed use.
8. Disposal of all hazardous materials shall conform to state and county regulations. No on-site disposal of solid waste will be permitted. This means there shall be no burning (for metal reclamation) or burial of waste, neither from the business nor from the residence. All solid waste at the site must be disposed through self-hauling to a permitted solid waste management facility, or through a contract with a licensed commercial solid waste hauler.
9. Violations of any of the above conditions may lead to a review of the Conditional Use Permit by the Planning Commission and County Board of Commissioners.
10. The Conditional Use Permit shall be effective for a period of five years following County Board approval, until December 18, 2012. The applicant shall make application for review of the permit prior to November 18, 2012. This condition may be waived at the discretion of Planning and Zoning Staff provided the business is operating according to the conditions of the permit.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

The motion carried. 2007-388

have applied for a Conditional Use Permit to construct two total confinement swine barns creating a new feedlot in an A, Agriculture Zoning District; and

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 48-07), a copy of said report has been presented to the County Board; and

WHEREAS, the Planning Commission of the County on the 5th day of December, 2007, following proper notice, held a public hearing regarding the request and, following the hearing, adopted a recommendation that the request for a Conditional Use Permit be granted; and

WHEREAS, the Blue Earth County Board of Commissioners finds that:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odors, perfumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.
13. That the density of proposed residential development is not greater than the density of the surrounding neighborhood or not greater than the density indicated by the applicable zoning district.

14. That the intensity of proposed commercial or industrial development is not greater than the intensity of the surrounding uses or not greater than the intensity characteristic of the applicable zoning district.
15. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the request for a Conditional Use Permit, to build two total confinement swine barns in an Agriculture Zoning District, is granted with the following conditions:

1. That the total confinement barn conforms with the site plan attached to this report PC 48-07.
2. That the proposed barns be located on a single, legally described parcel consisting of a minimum of ten contiguous acres. The parcel shall be a parcel of record, properly recorded in the Blue Earth County Land Records Office.
3. That the applicant must obtain a Blue Earth County Feedlot Permit before any animals are placed in the barn.
4. That the applicant obtain a Blue Earth County Construction Permit and an MPCA Construction Short Form Permit before building begins and within one year from the date the County Board of Commissioners approves the Conditional Use Permit. The permit shall be rendered invalid if application for a Construction Permit is not made within this one year period. Time extensions for Conditional Use Permits must be obtained from the County Board of Commissioners subsequent to a public hearing conducted by the Planning Commission.
5. If required by the Department of Natural Resources, the applicant shall obtain a DNR "Water Appropriations Permit" before any animals are placed in the barn.
6. That a perimeter footing drain tile be located at or below the bottom of the pit footings. The footing tile shall include one inspection pipe for each concrete pit. The native materials must be excavated and walls back filled with granular material (pit run gravel or equivalent). *Exceptions to this may only include specific design standards submitted by the design engineer of the manure storage structure.*
7. That application of manure be on the land documented in the aerial photos included in the State of Minnesota Application for Construction and Operation of an animal feedlot. The application of manure shall comply

with standards set forth by the MPCA. This plan must be reviewed by the operator each year and updated each year and adjusted for any changes in the amount of manure production, manure nutrient test results, fields available for receiving manure, crop rotations, or other practices which affect the available nutrient amounts or crop nutrient needs on fields receiving manure as required by the MPCA. Records of manure application shall be maintained as required by the MPCA. Manure application setback standards for the fields on which the manure is applied shall be followed as required by the MPCA and the County.

8. That the disposal of dead animals be consistent with the Minnesota Board of Animal Health regulations.
9. If and when rendering is used as a mortality disposal the applicant shall provide an enclosed location for the pick up.
10. That adequate measures be taken to minimize or control offensive odor, fumes, dust, noise, or vibrations so that none of these will constitute a nuisance.
11. That all manure storage structures must be designed by a registered engineer. A copy of the designed plans and soil investigation report must be submitted to Blue Earth County Environmental Services prior to the issuance of a construction permit.
12. That the applicant will furnish a final construction report to Environmental Services verifying that the concrete manure storage structure was constructed per approved engineered design plan within 60 days of completion of any new or modified manure storage area. Said construction report shall be signed by the design engineer.
13. That the applicant comply with the storm-water control requirements established by the MPCA.
14. That all exposed earthen surfaces be seeded into grass or utilized as crop acreage.

This resolution shall become effective immediately upon its passage and without publication.
