County Road 11 Road Closure

County Road 11 between Highway 68 and County Road 20, in South Bend and Judson Townships, will be closed for reconstruction beginning June 13, 2022. Drivers should expect this portion of County Road 11 to be closed until fall. Thru-traffic on County Road 11 will be detoured via Highway 68 and County Road 20.

This six-mile project includes re-grading and reconstruction near the Trunk Highway 68 intersection, widening shoulders, replacing centerline and drainage pipes within the right of way, reclaiming the existing pavement, placing new gravel base and paving a new bituminous pavement over the entire project.

Residents and landowners are encouraged to contact the Blue Earth County Public Works Department to coordinate access concerns with the County and the Contractor, R&E Enterprises of Mankato.

For more information on the County Road 11 project please contact the Blue Earth County Highway Department at (507) 304-4025. Visit the Blue Earth County website for a complete list of current Blue Earth County construction projects and road closures:
