County Road 13 Road Closure

County Road 13 between Highway 169 and County Road 1, in Lyra, Vernon Center and Garden City Townships, will be closed for reconstruction beginning October 2, 2023. Drivers should expect this portion of County Road 13 to be closed until fall 2024. Thru-traffic on County Road 13 will be detoured via Highway 169, County Road 9, and County Road 1.

This five-mile project includes re-grading to soften horizontal and vertical curves, widening shoulders, replacing centerline and drainage pipes within the right of way, reclaiming the existing pavement, placing new gravel base, and paving a new bituminous pavement over the entire project. The project also includes the replacement of the bridge over the Blue Earth River.

Residents and landowners are encouraged to contact the Blue Earth County Public Works Department to coordinate access concerns with the County and the Contractor, Mathiowetz Construction Company.

For more information on the County Road 13 project please contact the Blue Earth County Highway Department at (507) 304-4025. Visit the Blue Earth County website for a complete list of current Blue Earth County construction projects and road closures: <https://www.blueearthcountymn.gov/303/Construction-Projects-Road-Closures>.
